

GETTING CONNECTED

In response to the love of God - Father, Son and Holy Spirit – Holy Trinity is called to make and mature disciples of Jesus Christ in Aylesbury, able to serve him effectively wherever we go.'

We are a community of all ages and backgrounds following Jesus.

You are very welcome to come and explore life with us!

We are currently without a Vicar but with support from the Diocese of Oxford and area church leaders, the day-to-day running of the church is being overseen by our Church Leadership team. Please ask

anyone with a badge to introduce you to one of us or drop an email to the church office and we will be in touch to say hello!

Worshipping, Growing & Praying

We offer different styles of service on Sundays but they share the same 'deep structure' of worship and teaching. For support, friendship and learning together as Christians, we encourage everyone to join one of our Clusters of small groups - please give the office a call to find out more.

We pray monthly as a church at Thirst at 10am on the First Sunday of the month, in all our small groups and with a quarterly Prayer Bulletin.

Personal Prayer: we have people available to pray at the end of every service and during Thirst. For confidential matters please contact Glynis Axtell on 421539.

Text prayer chain: Prayer requests can also be circulated to a network of intercessors via 07719 673359 - but when wording requests please note that we hope for but cannot guarantee, complete confidentiality via this method.

Giving & Serving

It takes over £5000 a week and the time of numerous volunteers to resource HT.

We depend on the planned giving of time and money by the members of the church for all we do. Please see the orange leaflet for information about how you can best support God's work here.

Celebrating Service

Today we start our new teaching series 'Celebrating Service' during our Sunday morning services... and our topic this week is

'The Heart of Service' Why do we serve? What is our motivation? At Holy Trinity, we have so many wonderful examples of people who give their time, skills and gifts in service to God. And as we celebrate this service, we reflect on all the ways that we do this and we listen afresh to anything that God may be saying - encouraging us, prompting us, challenging us....

Welcome & Hospitality - The Aylesbury Deanery Learning Community will be holding a series of 3 interactive evenings exploring the theology behind our 'Welcome and Hospitality' - Creating Church Environments That Are Irresistible. All 3 sessions will be held at HT, the first being on 24th January at 7.45pm. 'Welcome' is a whole-church ministry so this series is for everyone. To register, go to aylesburydeanery-welcome.eventbrite.co.uk

Naturally Supernatural Winter Conference 14th - 17th February

Soul Survivor are once again running their winter conference from their warehouse in Watford. Day tickets are available if you can't make the whole event and can be booked online or purchased on the door.

What is it all About? "Our passion is to see the whole church moving in the power and gifts of the Holy Spirit so this conference is all about spending time in God's presence, with extended times of worship and ministry. We'll be studying God's word and hearing from some great teachers as we explore what it means to live biblical, naturally supernatural lives today."

It's a great opportunity to spend some time in worship, and listen to some great teaching without having to camp in a muddy field!!! For more information visit their website:
